INFORMATION SECURITY POLICY

As Ayfleks Packaging, in line with our purpose and vision, and with a commitment to compliance with national legal and other applicable requirements, we commit to all our stakeholders to:

- Ensuring the confidentiality, integrity, and availability of data, information, and the assets in which they reside are maintained above an acceptable level, and that their continuity and control are consistently upheld.
- Following current technologies and innovations, and continuously improving service quality and operational efficiency through an innovative approach in our business processes and the services we provide.
- Enhancing the quality of our information security practices to achieve higher levels of efficiency and security — both within our internal business processes and in the products and services we deliver to our customers.
- Building and continuously raising awareness among our employees and all stakeholders through training programmes designed to develop technical and behavioural competencies.
- Adopting an integrated management approach across all management systems we currently apply and may apply in the future, with a commitment to continuous improvement.
